

WORK WITH US: CONVENINGS

Texas Health Institute offers a unique capacity to develop customized convenings for mission-aligned organizations. We will work with you to build connections, facilitate dialogue, strengthen partnerships, act on shared priorities, and free up your valuable time, resources, and energy.

Mission Alignment

THI, a 501(c)3 nonprofit, works to advance the health of all to support healthy people and healthy communities. **Elevate your mission and strategy** through a convenings partnership that supports you in meeting your organizational goals and objectives.

Customized Services

We are a dedicated team driven to make your **uniquely tailored convening a success**. We manage tedious tasks and continuously hone our expertise to offer the best guidance and execution for smooth on-site, virtual, and hybrid convenings.

Success and Insights

Our convenings consistently earn five-star ratings, with leaders, collaborators, and attendees alike noting our exceptional customer service, professionalism, and attention to detail. In addition, we provide **measurable outcomes and insights** that can inform your strategy.
